Hermes - Merkur is the sole handling agent for the coming "ESRA 2015" Congress in Germany. To ensure the smooth unloading and arrival of your material into the venue, we recommend using the Official Freight Forwarder services. Supporters who choose to use their own services to deliver their goods to the venue door or warehouse are still required to contact Hermes - Merkur in order to coordinate the time schedule for unloading of freight into the venue.

Hermes is the exclusive handler inside the venue. No other company is permitted to handle cargo within the venue.

Please note that companies, stand builders & PR companies may make their own arrangements to deliver and retrieve goods directly to the warehouse/venue entrance.
